תאנים FIGS זיתים OLIVES

Dear Parents,

We hope everyone had a nice Thanksgiving break. We came back to school and jumped right into learning and exploring all about Chanuka. During Judaic circle we have been going through the story of Chanuka. Learning about King Antiouchus, the Jewish children learning torah/playing dreidel in caves, the Maccabees winning against the large Greek army and of course the miracle of the Menorah burning for 8 days and nights.

Our Dramatic Play area this week has turned into a doughnut shop in preparation for Chanuka. We have been busy baking doughnuts, taking orders, and packaging the doughnuts. So much math, literacy and pretend play has been going on.

We have been working all week on a collaborative mural menorah that is hanging in our classroom. Every candle of the Menorah was made with a different material or medium.

תאנים/Figs Circle Time

During circle time we are beginning to work on letters and phonics (starting with each child's name initial). Encourage your child at home to start signing their name and ask them what's "their letter"..

Shabbat Shalom
Morah Jenna, Eva, and Mushka
